VIA EFILING AND HAND DELIVERY

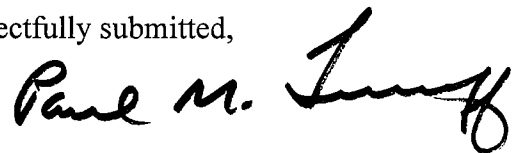

The Honorable Kent A. Jordan
United States District Court
844 King Street
Wilmington, DE 19801

RE: Ampex Corp. v. Eastman Kodak Co., et al.
C.A. No. 04-1373 (KAJ)

Dear Judge Jordan:

This will explain the efilings today, rather than last Friday, of the defense experts' reports. Having not had the experience of a previous case with you, I interpreted the Scheduling Order to require only serving on the plaintiff, rather than efilings, expert reports which were due on March 24, 2006. The defendants did, indeed, serve their expert reports on plaintiff's counsel last Friday. I have efiled Notices of Service of those reports today, reflecting the timely service. I had been lulled into believing only service was required by virtue of Local Rule 5.4(a), which stipulates that all Rule 26(a) disclosures [which I construed to include expert reports under Rule 26(a)(2)(B)] are to be served but not filed. Hopefully, this has not caused any inconvenience to the Court.

Respectfully submitted,

PAUL M. LUKOFF
